

## INTERVIEW 2

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Questions from the first interview?

Tell me what you talked about and what the job is.

How do you feel about mopping floors or scrubbing toilets?

When have you experienced stellar customer service, and how did that change how you deal with customers?

Are you smart, or do you work hard?

If you end up working here, how will I know if you need help?

What did you do to prepare for this meeting today?

How are are your basic math skills?

What's 20% of 35?

Tell me about a time you had to learn a new skill: What was your process, what did you learn about yourself, and what was the end result?

Up to this point in your life, what is the achievement you are the most proud of?

After you leave today, what are the top three things you want me to have heard about who you are? What do you want to make sure sticks with me about you?
